

YOUNG AND OLD READY TO ROUGH IT

Young and old will be braving the January chills and sleeping rough in Biggleswade to raise cash for the Mid Beds MX Youth Project and homeless youngsters in Bedford.

The fundraisers, aged from six to 68 will be sleeping in the bus station in Biggleswade's Market Square from 10pm on January 14th to 8am the following morning and youngsters will be accompanied by their parents.

And they will be joined by dignitaries including the High Sheriff, Biggleswade's Mayor, Wendy Smith and a representative from Bedford Housing Link which will also receive part of the cash raised.

MP Nadine Dorries has been invited to take part in the event and Mr Lynch is also hoping a well known local figure will volunteer to take part in the event. They are hoping to raise around £1,000 for the project.

Anyone interested in sponsoring the sleep out or taking part can contact **Ken Lynch on 01767 681739.**
